# ♥ ACCEPTANCE SPEECH ♥

~~Ladies and Gentlemen~~  
~~Destin ~~Ortega~~ Distingw~~  
Howdy folks! It's an honor to be  
here tonight and if my parents  
are watching, go to bed!!!  
Betcha wanna know how  
a 9-year old won this, its imp-  
ossible!!! Well, I was told  
Dragons were impossible, but  
here we are. And later this  
month, I'll be opening Amoy's  
Federal Reserve for preserving  
Dragons and stuff. They'll have  
so much stuff to set on fire  
like Zozobra without the ubno-  
chiows people. (Next Page)

# Acceptance Speech pt. 2 ooo

# ESCAPE!!!

you guessed it, I can't find him anywhere!  
son of a bitch! I closed the lid, I know I did. I tore up my room looking for him and now mom's gonna kill me. She said if I speak of the devil. (26)

UGH! It's not fair. He  
bit Frankie And now I have  
to get rid of him. If peanut  
bit some one, we wouldn't get  
rid of her but Mom said because  
Iggy is a lizard. HA! Jokes on  
you Mom! He's a Dragon!  
I have to get rid of him.  
I'm sooo getting Frankie  
back for this!

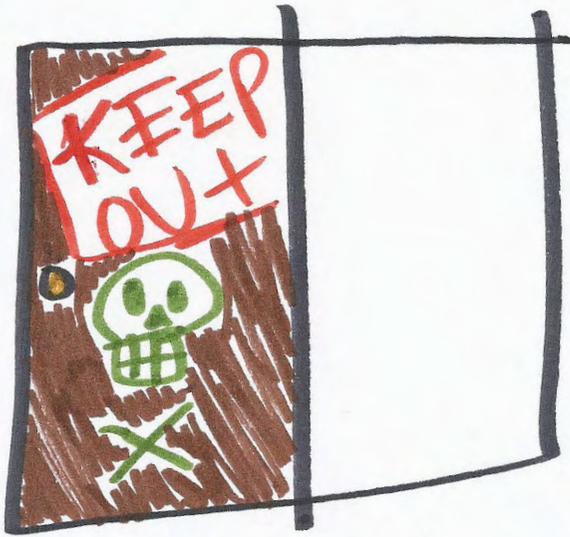

IGGY

ANGER

3/9

finally saw Frankie,  
even tho dad doesn't  
want me to but I have the  
mind of a scientist and the  
heart of a sister. He said  
his insides were burning. I  
couldn't tell if it was the  
way he looked or because  
it was my fault but I wanted  
to barf. I'll check on him  
later. or maybe borrow  
notes from the Doctor.

I Miss IGGY, even tho  
I shouldn't. He's just a baby!  
He's probably lost or scared.  
MOM WOULD'N'T tell me  
where he is. I said please  
a million times! And of course  
my career is way off  
track now.

P.S. - I left a trap ~~trap~~  
maybe, he'll come back.
